

ERRATA

In the March 2010 (14/2) issue of *Quaker Studies*, an error appeared in Susan Robson's review of Mark Freeman's *Quaker Extension c. 1905–1930: The Yorkshire 1930 Committee* (p. 252). The text should have read: 'The 60 young men who tramped across Yorkshire in 1905 soon made it clear that women would be welcome on such occasions'. We apologise for any confusion.
